## ThreatSense

Who's gonna help you, don't look around for Superman  
This is the real world, your PC needs a thorough scan  
And life's just too much, your machine's on bended knee  
Don't have to tell you, NOD32 has got the key

Who's got the ThreatSense? (x2)  
Who's got the ThreatSense, for you?  
Who's got the ThreatSense? N – O – D ...thirty-two!

Now I've been surfing, I like to live life on the edge  
NOD's like my surf board, and cheapest way to spend my wedge  
No doubt about it, Advanced Heuristics have saved my life  
And if NOD could cook.... maybe I'd get rid of the wife
